Players: Single player

Developer: Pixelopulus

## Game strategies

Leadership/governance

Social inclusion

## Competences

Empathy

Openness to cultural otherness and to other beliefs, world views and practices

Valuing human dignity and human rights

Valuing cultural diversity

## Description

Concrete Genie takes place in a small port town named Denska, a bad place. Dark, abandoned, even invaded by a black matter that seems to corrupt everything from buildings to people. The player will have to "clean up" every area of Denska with murals, and the geniuses who "live in the walls" are there to help him, destroying obstacles or moving two-dimensional objects in the walls.
